

Current situation

NT Airports is continuing to monitor the COVID-19 situation. Our priority remains the wellbeing and safety of our staff, contractors, visitors and travellers, and we are taking all the necessary precautions to ensure our people are protected.

As we come into the Easter long weekend, we would like to remind everyone to follow the recommended health and travel advice and stay home to stay safe.

We wish you all a very happy and safe Easter.

Latest advice

There have been 28 confirmed cases of COVID-19 in the Northern Territory.

At this time, there is no community spread of this virus in the Northern Territory and it is important we all continue to follow the recommended advice to keep it this way.

At the airport, a number of measures are currently in place to reduce the spread of the virus, including regular and thorough cleaning of the terminal.

Restrictions to communities

Restrictions on travel to Northern Territory remote communities are currently in place. Only essential travel, defined as functions that are necessary to keep the community operating, will be allowed.

Anyone travelling to communities for non-essential purposes will have to self-isolate for 14 days.
